The Guests in the Gallery may wish to rise and join us in the invocation. Reverend Crawford."

So as we look up and lift up our minds, our hearts, and our souls for comfort, for wisdom, for understanding and, above all, guidance throughout this day this we kindly ask in Your precious Son's name. Amen."

Moffitt: "Thank you Mr. Speaker. There's another Amendment that's being drafted so I would like to have that brought up next week."

Speaker Granberg: "On page four of the Calendar appears House Bill 315. The Gentleman from Cook, Speaker Madigan."

Madigan: "Mr. Speaker and Ladies and Gentlemen, House Bill 315 would repeal the earlier legislation, which forced the reopening of Meigs Field in Chicago."

Speaker Granberg: "Speaker, just for a moment, the Clerk needs to read the Bill."

Clerk Rossi: "House Bill 315, a Bill for an Act concerning Meigs Field Airport. Third Reading of this House Bill."

Madigan: "Mr. Speaker, this Bill would repeal the earlier

legislation which forced the reopening of Meigs Field in Chicago. You all recall, it was just a few weeks ago, that the Legislature passed and the Governor signed a Bill which required the reopening of Meigs Field and a takeover by the state. This Bill would repeal that earlier legislation. I ask for a favorable Roll Call."

Speaker Granberg: "On House Bill 315 are there any questions? The Gentleman from Vermilion, Representative Black."

Black: "Thank you very much, Mr. Speaker. Will the Sponsor yield?"

Speaker Granberg: "He indicates he will."

Black: "Mr. Speaker. Oh, I read it wrong. This isn't Midway Airport, this is Meigs right? Where exactly is that? I'm not in the social elite. I don't know that I've ever been there."

Madigan: "It's hard to find, especially from the air."

Black: "I think I might have driven by it once or twice. Was that the airport that was just completely full during the Democrat National Convention?"

Madigan: "I think at one time a few weeks ago it was covered with grass."

Black: "I seem to indicate that during that one week it was very, very busy and I know we were all proud to be a part of that, and we showed off Chicago. The ripple effect was clear down to Danville. There wasn't a motel room to be had during that week in August. But I, what does the Bill do? I really am not sure. I vaguely remember discussing this eight or nine weeks ago."

Madigan: "This Bill will simply repeal what you did a few weeks ago. Everybody gets a second opportunity in life."

Black: "It happens very seldom. So, what this does, then the airport will just continue to operate. It isn't going to

STATE OF ILLINOIS
90TH GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES

be a park/airport. It's just going to be an airport for a while and maybe a park later, is that it?"

Madigan: "Well, my understanding is that it will remain open as an airport for at least five more years."

Black: "But we probably shouldn't read anything into that. Well, I must say this in all due respect, Mr. Speaker, to the Sponsor of the Bill. This Bill has two of the finest Sponsors it has ever been my privilege to work with in this Body, and because I hold both the Sponsors in such high regard, I think I'm going to sit down before I get into any trouble and just simply say I intend to vote for this fine piece of legislation."

Speaker Granberg: "Thank you Senator Black. Anything further? No further questions, Speaker Madigan to close."

Madigan: "I would just request a favorable Roll Call Mr. Speaker."

Speaker Granberg: "Having heard the Motion on House Bill 315, all in favor vote 'aye'; all opposed vote 'nay'. The voting is open. On House Bill 315 there being 92 voting 'yes'. Have all voted who wish? Have all voted who wish? Mr. Clerk, take the record; 92 voting 'yes'; 19 voting 'no'. House Bill 315 is hereby declared passed. Supplemental Calendar."

Clerk Rossi: "Supplemental Calendar #1 is being distributed."

Speaker Granberg: "The Gentleman from Cook, Representative Schoenberg, for what reason do you rise?"

Schoenberg: "Mr. Speaker, on the previous Bill, for House Bill 315 I inadvertently hit my 'present' button. Could you have the Record reflect that I am strongly in the affirmative and I would have wished to vote 'aye'."

Speaker Granberg: "The Record shall reflect. The Gentleman from Kankakee, Representative Novak, for what reason do you

arise?"

Novak: "Yes, thank you, Mr. Speaker. For purposes of announcement would you identify yourself please?"

Speaker Granberg: "Thank you Representative Novak. Anything further. The Gentleman from Vermilion, Representative Black, for what reason to you arise?"

Black: "Thank you very much Mr. Speaker, a Point of Personal Privilege if I might?"

Speaker Granberg: "Proceed."

Black: "I would just like to say on behalf of all of us on this side of the aisle that you look marvelous up there Sir, and we hope to see you up there in the days and weeks to come, because we know we will be treated fairly. I am overwhelmed at the fairness you've already shown and displayed to us today, and I just wanted you to know that. We appreciate it. You look marvelous in the Chair, and we look forward to a long working relationship with you. At least until 2 or 3 o'clock this afternoon."

Speaker Granberg: "Thank you, Representative. You'll be in the Senate, so you probably won't see me up here very often. On House Supplemental Calendar #1 appears House Resolution #32. Speaker Madigan. The Gentleman from Cook, Speaker Madigan, on House Resolution 32."

Madigan: "Mr. Speaker and Ladies and Gentlemen of the House, this Resolution would constitute an Amendment to the Rules, and it provides for three changes in the Rules. #1) The Rules for this Session provide that Members can file statements with the Clerk that would speak to legislative intent. A point was raised during the debate on the Rules which argued that if a statement was filed with the Clerk and a Member was named in that statement the Member named in the statement ought to have an opportunity to prepare a

STATE OF ILLINOIS
90TH GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

19th Legislative Day

February 20, 1997

response before the entire document was made public. So this Amendment would provide that where a Member is identified in the statement they will have one Legislative day or three business days, whichever is shorter, after notification by the Clerk to file a response. #2) This Amendment would provide that Members must always be on the Floor when they are voting, which was a provision of the Rules of the last Session and which is also a Section of State Law. And lastly, this would provide that the Committee appointments are for the duration of the term. So three points, #1) Where a statement is filed and a Member is named they have an opportunity to respond before the original statement is made public, #2) Members must be on the Floor when they vote, #3) Appointments to Committee are for the duration of the term. I move for the adoption of the Resolution."

Speaker Granberg: "Speaker moves for the adoption of House Resolution 32. Are there any questions? The Gentleman from Jersey, Representative Ryder."

Ryder: "Thank you Mr. Speaker. Would the Sponsor yield to questions please?"

Speaker: "He indicates he will."

Ryder: "Mr. Speaker, I congratulate you for taking seriously the comments that we made in our arguments concerning the Rules that you proposed for the House. While I may disagree with the Statement concept that you placed in the Rules, which is a new concept to us, you have done your best to take our suggestions to make what I consider a bad situation better, and I appreciate that. But I have some questions on that process, because the Clerk has the responsibility of notification in this matter. Your Rules are silent as to the method of notification. It does not say orally, in

STATE OF ILLINOIS
90TH GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

19th Legislative Day

February 20, 1997

writing, nor is there indicated if the notification has to be personally made to the Representative that's mentioned in those statements. For purposes of intent, could you tell me your intention sir?"

Madigan: "Mr. Ryder, I'm advised that there will be a cover sheet that will be attached to the Statement which is first filed, and there's a section of that cover sheet which requires that any other Legislator named in the Statement must also be named in the cover sheet. That cover sheet will be delivered to the office of the named Legislator here in Springfield. Delivered by the Clerk. If you have any suggestions as to how we could improve the system we're very interested in that."

Ryder: "Mr. Speaker, I thank you for that we have made some suggestions. Our first suggestion was that we shouldn't be doing the Statements at all, but since you're persisting in that, I guess my concern, Sir is if this notice goes to an office at the end of a Legislative day then we're relying on someone other than a Legislator to communicate the notice from the Clerk. I would have preferred, I suppose for the Clerk to personally hand that document to a Legislator. Rather than delivering to the office. Your Statement is silent as to the method of delivery that you just mentioned. I do acknowledge the cover sheet as a means of communication, I understand that. Is there a reason, excuse me, is it your intention that the cover sheet would also contain the Statement at the time it's delivered to the Legislator that is mentioned?"

Madigan: "Mr. Ryder, this is a partial explanation. The one day and the three days, they don't start to run until the named Legislator has actually received the Statement. Now again, if there's some way that the system can be perfected, we're

STATE OF ILLINOIS
90TH GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

19th Legislative Day

February 20, 1997

interested in doing that."

Ryder: "Mr. Speaker, I understand that, and you have shown an accommodation to our request by modifying the Rules to this extent and we agree. I have some conceptual problems in trying to take a Rule that I don't think is appropriate and trying to somehow mechanically making it work and that's the reason for my questions. You and I philosophically differ about this Rule itself. My simple concern is the mechanical part of showing to the Legislator that their name has been mentioned, how it has been mentioned, and I'm wondering if, because I didn't have an opportunity to hear, if the Statement of the proposing Legislator will be attached to the cover sheet that you describe that is delivered to the mentioned Legislator."

Madigan: "The answer to that question is 'yes'."

Ryder: "Ok. That is good, I think that is an improvement. The Clerk, under your proposal then delivers that to the office of the Legislator in order to start the clock running. Is that my understanding, or your understanding?"

Madigan: "Well it's delivered to the office of the Legislator. The clock starts to run when that Legislator has received the cover sheet and the Statements."

Ryder: "I apologize for the series of questions. I intend to support your Rule, your modifications, because they are making a certain circumstance about which I complained, somewhat better. I still have the philosophical problems with the concept of Member Statements and I thank you for the explanation. As I think of, or perhaps as practiced, will see, perhaps we may have some additional suggestions on how to make it work. Right now we're simply attempting to suggest your response to a limitation on debate to allow Members to put in Statements I think would be unnecessary

STATE OF ILLINOIS
90TH GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES

if we did not have, originally, that limitation on debate. So you're attempting to accommodate that. I understand that. You've attempted to make it better. I appreciate that. I'm not quite sure that you've reached perfection in your Rules just yet. But we'll keep an eye on them and as we notice perfection, or the approach thereof, we'll let you know. Thank you Sir."

Speaker Granberg: "There being no further questions, the Gentleman moves for the adoption of House Resolution 32. All in favor say 'aye'; all opposed say 'no'. They 'ayes' have it. House Resolution 32 is hereby adopted. On House Supplemental Calendar #1 appears House Bill 274. Representative Kubik, would you like to present House Bill 274 at this time? Read the Bill, Mr. Clerk."

Clerk Rossi: "House Bill 274, a Bill for an Act concerning the State Emergency Medical Services Disciplinary Review Board. Second Reading of this House Bill. No Committee Amendments. No Floor Amendments. No Motions filed."

Speaker Granberg: "The Gentleman from Cook, Representative Kubik."

Kubik: "Mr. Speaker I believe this Bill is on Second Reading."

Speaker Granberg: "That is correct. We're going to move it to Third, Representative Kubik, unless you had any comments. No Amendments filed. Third Reading. On Supplemental Calendar #1 appears House Bill 281. Representative Holbrook. Read the Bill, Mr. Clerk."

Clerk Rossi: "House Bill 281, a Bill for an Act amending the Counties Code. Second Reading of this House Bill. Amendment #1 was adopted in committee. No Motions have been filed. No Floor Amendments approved for consideration."

Madigan: "Mr. Speaker and Ladies and Gentlemen, House Bill 315 would repeal the earlier legislation, which forced the reopening of Meigs Field in Chicago."

Speaker Granberg: "Speaker, just for a moment, the Clerk needs to read the Bill."

Clerk Rossi: "House Bill 315, a Bill for an Act concerning Meigs Field Airport. Third Reading of this House Bill."

Madigan: "Mr. Speaker, this Bill would repeal the earlier legislation which forced the reopening of Meigs Field in Chicago. You all recall, it was just a few weeks ago, that

the Legislature passed and the Governor signed a Bill which required the reopening of Meigs Field and a takeover by the state. This Bill would repeal that earlier legislation. I ask for a favorable Roll Call."

Speaker Granberg: "On House Bill 315 are there any questions?
The Gentleman from Vermilion, Representative Black."

Black: "Thank you very much, Mr. Speaker. Will the Sponsor yield?"

Speaker Granberg: "He indicates he will."

Black: "Mr. Speaker. Oh, I read it wrong. This isn't Midway Airport, this is Meigs right? Where exactly is that? I'm not in the social elite. I don't know that I've ever been there."

Madigan: "It's hard to find, especially from the air."

Black: "I think I might have driven by it once or twice. Was that the airport that was just completely full during the Democrat National Convention?"

Madigan: "I think at one time a few weeks ago it was covered with grass."

Black: "I seem to indicate that during that one week it was very, very busy and I know we were all proud to be a part of that, and we showed off Chicago. The ripple effect was clear down to Danville. There wasn't a motel room to be had during that week in August. But I, what does the Bill do? I really am not sure. I vaguely remember discussing this eight or nine weeks ago."

Madigan: "This Bill will simply repeal what you did a few weeks ago. Everybody gets a second opportunity in life."

Black: "It happens very seldom. So, what this does, then the airport will just continue to operate. It isn't going to be a park/airport. It's just going to be an airport for a while and maybe a park later, is that it?"

Madigan: "Well, my understanding is that it will remain open as an airport for at least five more years."

Black: "But we probably shouldn't read anything into that. Well, I must say this in all due respect, Mr. Speaker, to the Sponsor of the Bill. This Bill has two of the finest Sponsors it has ever been my privilege to work with in this Body, and because I hold both the Sponsors in such high regard, I think I'm going to sit down before I get into any trouble and just simply say I intend to vote for this fine piece of legislation."

Speaker Granberg: "Thank you, Senator Black. Anything further? No further questions, Speaker Madigan to close."

Madigan: "I would just request a favorable Roll Call Mr. Speaker."

Speaker Granberg: "Having heard the Motion on House Bill 315, all in favor vote 'aye'; all opposed vote 'nay'. The voting is open. On House Bill 315 there being 92 voting 'yes'. Have all voted who wish? Have all voted who wish? Mr. Clerk, take the record; 92 voting 'yes'; 19 voting 'no'. House Bill 315 is hereby declared passed. Supplemental Calendar."

Clerk Rossi: "Supplemental Calendar #1 is being distributed."

Speaker Granberg: "The Gentleman from Cook, Representative Schoenberg, for what reason do you rise?"

Schoenberg: "Mr. Speaker, on the previous Bill, for House Bill 315 I inadvertently hit my 'present' button. Could you have the Record reflect that I am strongly in the affirmative and I would have wished to vote 'aye'?"

Speaker Granberg: "The Record shall reflect. The Gentleman from Kankakee, Representative Novak, for what reason do you arise?"

Novak: "Yes, thank you, Mr. Speaker. For purposes of an

announcement. Would you identify yourself please?"

Speaker Granberg: "Thank you, Representative Novak. Anything further? The Gentleman from Vermilion, Representative Black, for what reason to you arise?"

Black: "Thank you very much, Mr. Speaker, a Point of Personal Privilege if I might?"

Speaker Granberg: "Proceed."

Black: "I would just like to say on behalf of all of us on this side of the aisle that you look marvelous up there Sir, and we hope to see you up there in the days and weeks to come, because we know we will be treated fairly. I am overwhelmed at the fairness you've already shown and displayed to us today, and I just wanted you to know that. We appreciate it. You look marvelous in the Chair, and we look forward to a long working relationship with you. At least until 2 or 3 o'clock this afternoon."

Speaker Granberg: "Thank you, Representative. You'll be in the Senate, so you probably won't see me up here very often. On House Supplemental Calendar #1 appears House Resolution #32. Speaker Madigan. The Gentleman from Cook, Speaker Madigan, on House Resolution 32."

Madigan: "Mr. Speaker and Ladies and Gentlemen of the House, this Resolution would constitute an Amendment to the Rules, and it provides for three changes in the Rules. #1) The Rules for this Session provide that Members can file statements with the Clerk that would speak to legislative intent. A point was raised during the debate on the Rules which argued that if a statement was filed with the Clerk and a Member was named in that statement the Member named in the statement ought to have an opportunity to prepare a response before the entire document was made public. So this Amendment would provide that where a Member is

identified in the statement they will have one Legislative day or three business days, whichever is shorter, after notification by the Clerk to file a response. #2) This Amendment would provide that Members must always be on the Floor when they are voting, which was a provision of the Rules of the last Session and which is also a Section of State Law. And lastly, this would provide that the Committee appointments are for the duration of the term. So three points, #1) Where a statement is filed and a Member is named they have an opportunity to respond before the original statement is made public, #2) Members must be on the Floor when they vote, #3) Appointments to Committee are for the duration of the term. I move for the adoption of the Resolution."

Speaker Granberg: "Speaker moves for the adoption of House Resolution 32. Are there any questions? The Gentleman from Jersey, Representative Ryder."

Ryder: "Thank you, Mr. Speaker. Would the Sponsor yield to questions please?"

Speaker: "He indicates he will."

Ryder: "Mr. Speaker, I congratulate you for taking seriously the comments that we made in our arguments concerning the Rules that you proposed for the House. While I may disagree with the Statement concept that you placed in the Rules, which is a new concept to us, you have done your best to take our suggestions to make what I consider a bad situation better, and I appreciate that. But I have some questions on that process, because the Clerk has the responsibility of notification in this matter. Your Rules are silent as to the method of notification. It does not say orally, in writing, nor is there indicated if the notification has to be personally made to the Representative that's mentioned

STATE OF ILLINOIS
90TH GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES

in those statements. For purposes of intent, could you tell me your intention, sir?"

Madigan: "Mr. Ryder, I'm advised that there will be a cover sheet that will be attached to the Statement which is first filed, and there's a section of that cover sheet which requires that any other Legislator named in the Statement must also be named in the cover sheet. That cover sheet will be delivered to the office of the named Legislator here in Springfield. Delivered by the Clerk. If you have any suggestions as to how we could improve the system we're very interested in that."

Ryder: "Mr. Speaker, I thank you for that. We have made some suggestions. Our first suggestion was that we shouldn't be doing the Statements at all, but since you're persisting in that, I guess my concern, Sir, is if this notice goes to an office at the end of a Legislative day then we're relying on someone other than a Legislator to communicate the notice from the Clerk. I would have preferred, I suppose for the Clerk to personally hand that document to a Legislator. Rather than delivering to the office. Your Statement is silent as to the method of delivery that you just mentioned. I do acknowledge the cover sheet as a means of communication, I understand that. Is there a reason, excuse me, is it your intention that the cover sheet would also contain the Statement at the time it's delivered to the Legislator that is mentioned?"

Madigan: "Mr. Ryder, this is a partial explanation. The one day and the three days, they don't start to run until the named Legislator has actually received the Statement. Now again, if there's some way that the system can be perfected, we're interested in doing that."

Ryder: "Mr. Speaker I understand that and you have shown an

STATE OF ILLINOIS
90TH GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

19th Legislative Day

accommodation to our request by modifying the Rules to this extent and we agree. I have some conceptual problems in trying to take a Rule that I don't think is appropriate and trying to somehow mechanically making it work and that's the reason for my questions. You and I philosophically differ about this Rule itself. My simple concern is the mechanical part of showing to the Legislator that their name has been mentioned, how it has been mentioned, and I'm wondering if, because I didn't have an opportunity to hear, if the Statement of the proposing Legislator will be attached to the cover sheet that you describe that is delivered to the mentioned Legislator."

Madigan: "The answer to that question is yes."

Ryder: "Ok. That is good, I think that is an improvement. The Clerk, under your proposal then delivers that to the office of the Legislator in order to start the clock running. Is that my understanding, or your understanding?"

Madigan: "Well it's delivered to the office of the Legislator. The clock starts to run when that Legislator has received the cover sheet and the Statements."

Ryder: "I apologize for the series of questions. I intend to support your Rule, your modifications, because they are making a certain circumstance about which I complained, somewhat better. I still have the philosophical problems with the concept of Member Statements and I thank you for the explanation. As I think of, or perhaps as practice will see, perhaps we may have some additional suggestions on how to make it work. Right now we're simply attempting to suggest your response to a limitation on debate to allow Members to put in Statements I think would be unnecessary if we did not have, originally, that limitation on debate. So you're attempting to accommodate that. I understand

90TH GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES

that. You've attempted to make it better. I appreciate that. I'm not quite sure that you've reached perfection in your Rules just yet. But we'll keep an eye on them and as we notice perfection, or the approach thereof, we'll let you know. Thank you, Sir."

Speaker Granberg: "There being no further questions, the Gentleman moves for the adoption of House Resolution 32. All in favor say 'aye'; all opposed say 'no'. They 'ayes' have it. House Resolution 32 is hereby adopted. On House Supplemental Calendar #1 appears House Bill 274. Representative Kubik, would you like to present House Bill 274 at this time?
